IS THIS YOUR NEXT PROFESSIONAL STEP?

Entering Positive Behaviour Support can feel exciting and overwhelming at the same time. You may understand the values behind the work but still need guidance to translate knowledge into professional practice and meaningful portfolio evidence.

This intensive gives you a structured starting point, regular access to supervision and a small professional learning community. It is designed to help you move forward with greater clarity and confidence without trying to navigate the process alone.

DESIGNED FOR

BEGINNING YOUR JOURNEY

People exploring Positive Behaviour Support as a new professional direction.

NEW PRACTITIONERS

Practitioners seeking structure, feedback and support during the early stages of practice.

BUILDING A PORTFOLIO

People preparing evidence and considering the pathway that may apply to their background.

A CLEARER PATHWAY FORWARD

The program may suit people seeking to enter the sector as a Core Practitioner or explore the Alternative Assessment Pathway. Your qualifications, experience and professional background matter, so the first step is understanding the pathway that may be relevant to you.

A free discovery call can help you decide if this intensive is the right next step.

WHAT YOU CAN EXPECT TO DEVELOP
